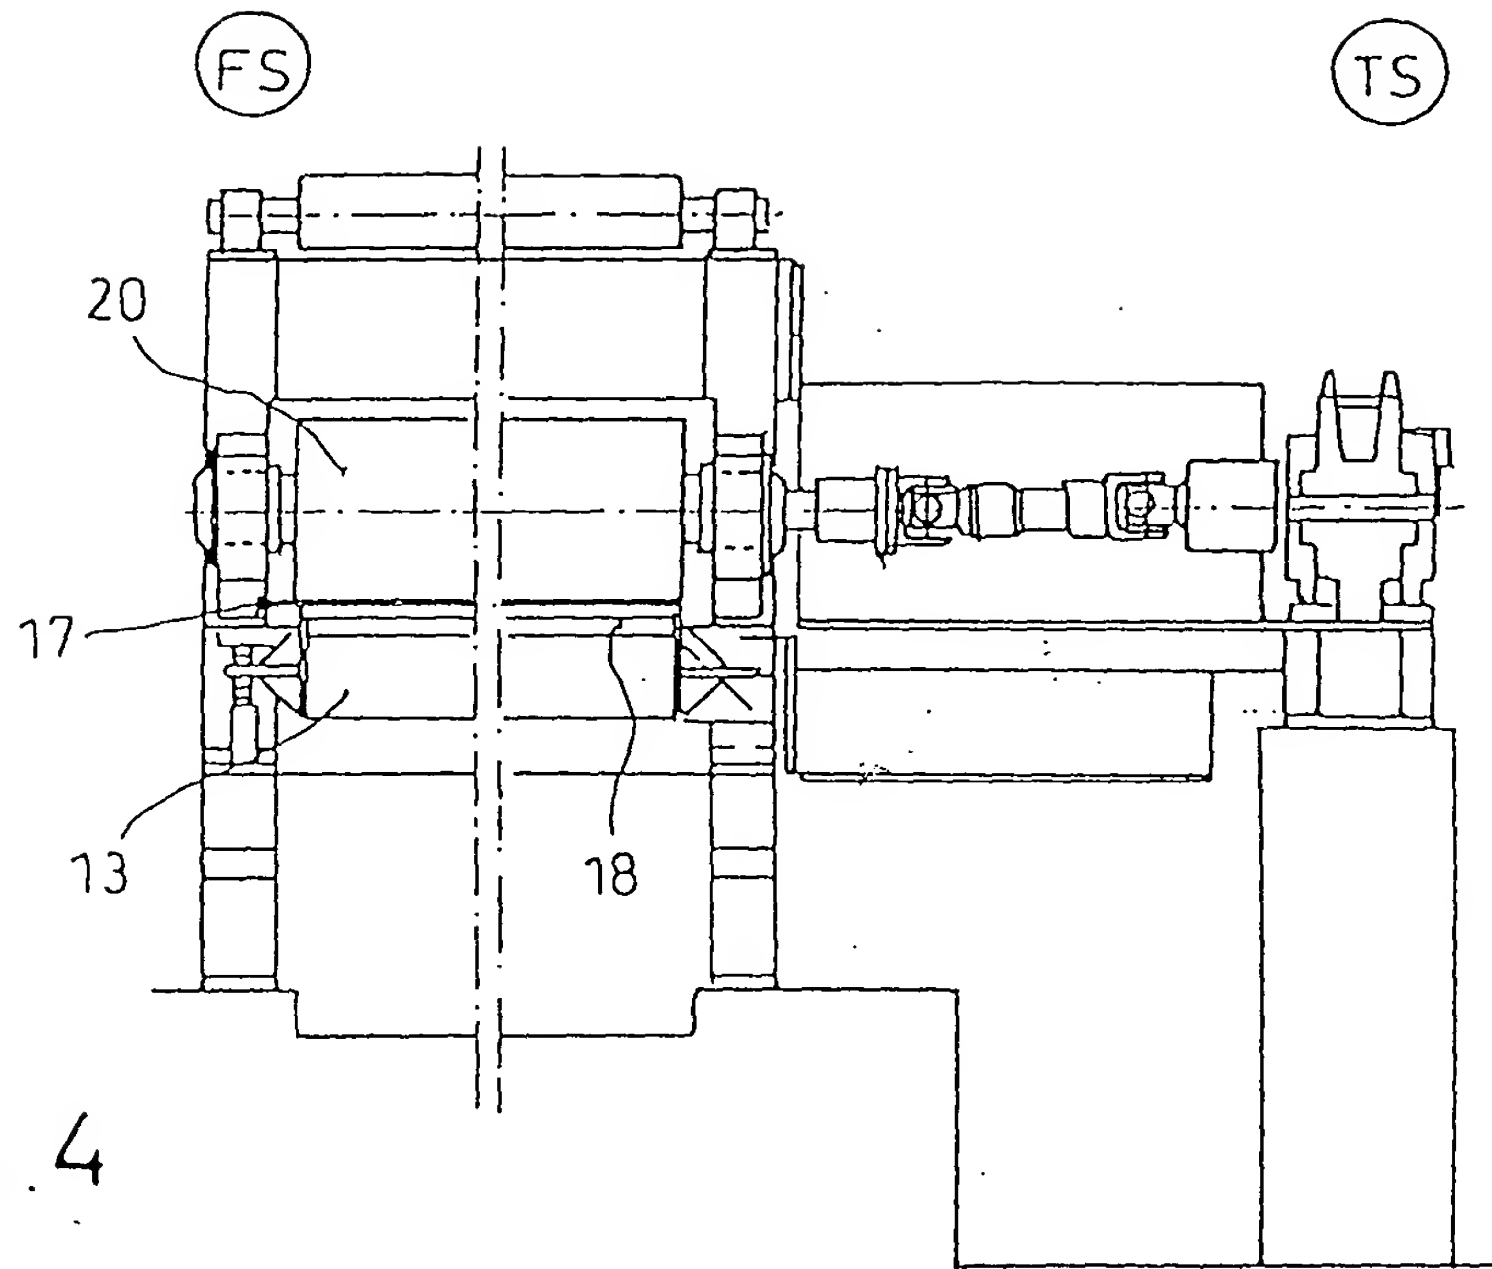

Fig. 4

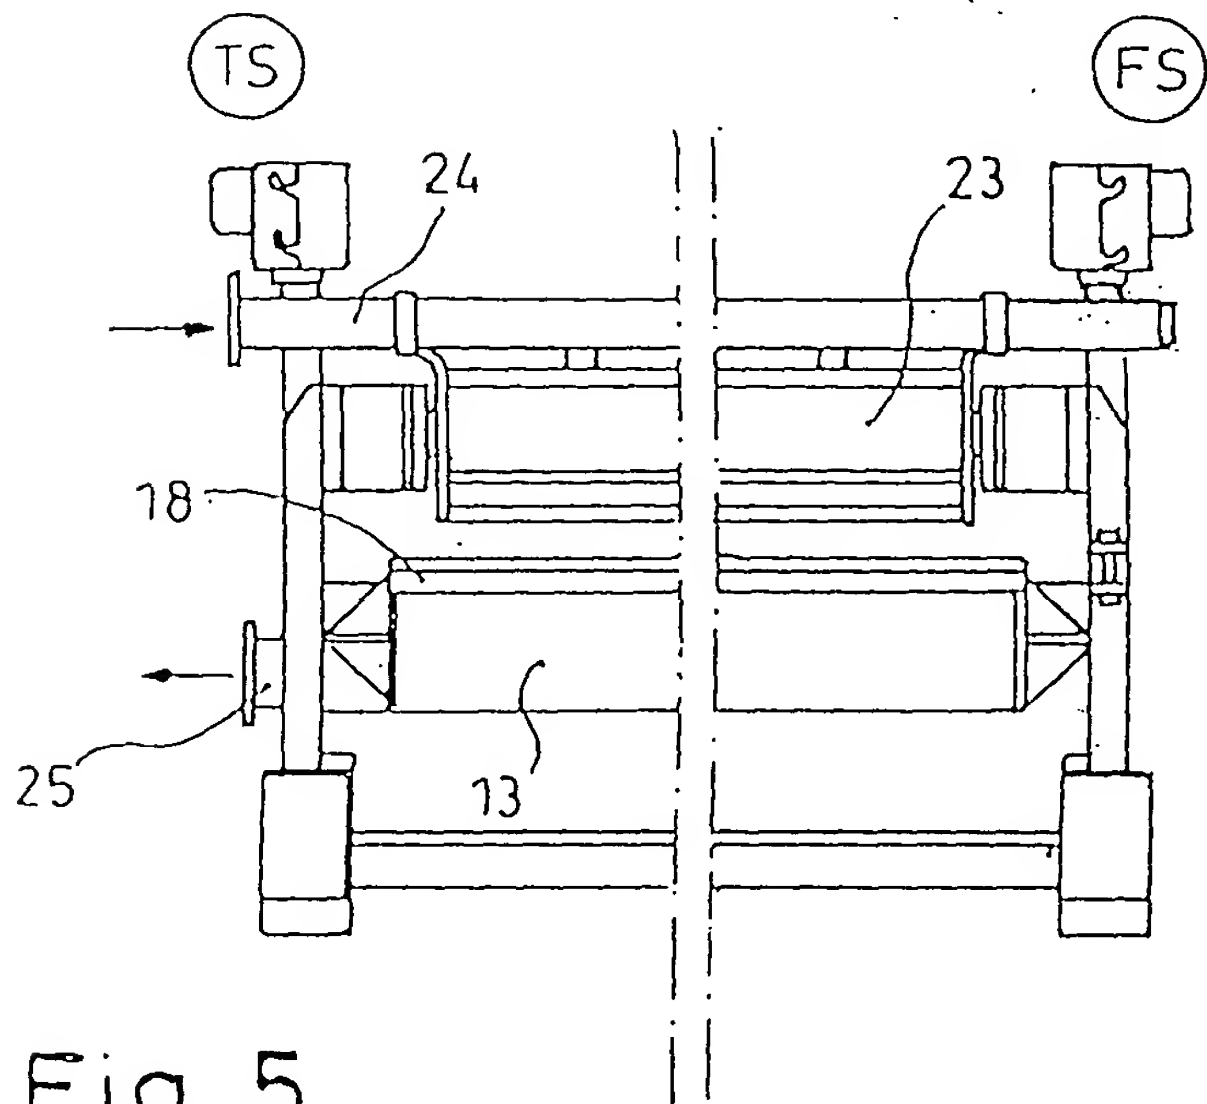

Fig. 5

Technical drawing of a mechanical assembly, likely a pump or motor component, showing a cross-sectional view. The drawing includes several labeled parts:

- 22**: Points to the outer housing or casing.
- 27**: Points to the internal rotor or impeller assembly.
- 28**: Points to the central shaft or hub.
- 29**: Points to the mounting flange or base plate.
- 26**: Points to the outer ring or seal.
- 10**: Points to the main body or frame.
- 11**: Points to the top flange or cover.
- 17**: Points to the bottom flange or base.

The drawing shows a complex mechanical structure with a central shaft, a rotor, and a housing, all mounted on a base. The components are labeled with numbers 10, 11, 17, 22, 26, 27, 28, and 29.
